TUNER INFO KIT

Requirements, the review process, and how fees will work for independent tuners applying to the Ignition House roster.

REQUIREMENTS

- [ ] Tune license-free aftermarket standalone ECUs (the same scope as the House)
- [ ] Follow House requirements, including a wideband logged in the ECU before calibration
- [ ] Carry your own business liability insurance and provide proof
- [ ] Sign the House NDA and independent-contractor agreement
- [ ] Share sample work and references (with client permission)
- [ ] Be 18 or older and run your own business

PROCESS

- [ ] Apply at ignitionhouse.co/join with your work and signed agreements
- [ ] House Review: intake, work samples, references, and insurance
- [ ] Written terms, including the fee structure, before you're listed
- [ ] Approval and a public profile at ignitionhouse.co/t/your-name
- [ ] Join the review panel as the roster grows

FEE STRUCTURE (TBD)

ITEM	STATUS
Monthly bench fee	TBD — set in writing before listing
Percentage of jobs booked through the House	TBD — set in writing before listing

ITEM	STATUS
Optional featured placement	TBD — optional, never required
Application	No fee to apply

Ignition House doesn’t promise any income, leads, or volume of work, and doesn’t sell access to clients.

DOCUMENTS

NDA and contractor agreement (draft, pending attorney review): ignitionhouse.co/legal/tuner-agreement. Apply: ignitionhouse.co/join. Questions: hello@ignitionhouse.co.
